

DAZZLE

24% DURABLE HIGH SPEED FLOOR FINISH

DATA SHEET

Product Description:

Dazzle is a unique blend of Acrylic Polymers that provides exceptional floor finish performance features- excellent resistance to dirt, scuff and black heel markings. Dazzle is not easily removed with aggressive cleaners. It's unique toughness enables it to outlast it's competition in a variety of applications, including excellent gloss retention where High-Speed buffing is less frequent. Dazzle is recommended for use on all types of resilient tile, linoleum, terrazzo, quarry tile or sealed wood.

Features:

- Excellent resistance to dirt, scuff and black heel markings.
- Not easily removed with aggressive cleaners.
- Excellent gloss retention.
- All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Directions:

1. Floor area must be cleaned and free of any other floor maintenance products, either stripper or finish. If floor is old and porous apply Tuf-Kote as directed, otherwise use MVP as directed. Sealer must be completely dry before applying Dazzle.
2. With clean mop or applicator, apply 3-4 coats of finish (wait for drying between coats).
3. With finish completely, dry, buff using High-Speed buffer if desired.

Stripping:

1. Dazzle is easily removed with Hot Shot or Zap fast penetrating stripper when used as directed.
2. Always clean floor with Quantum or rinse with clean water prior to applying sealer or finish.

Specifications:

Specifications:		Available In:	
Color:	White	55 Gallon Pail	Item# 98PDZ55
Odor:	None Added	30 Gallon Pail	Item# 98PDZ30
pH:	8.7	5 Gallon Pail	Item# 98PDZ05
Physical State:	Liquid	4x1 Gallon Bottles	Item# 98PDZ0G

First Aid:

Inhalation: Remove to fresh air. Eyes: Flush with water for 15 minutes. If irritation persists, consult physician. Internal: If ingested, drink large amounts of water. DO not induce vomiting. Seek medical attention promptly.

Storage:

Keep from freezing. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area.
