RELEASE
NON-BUTYL DEEP CLEANER

DATA SHEET

Product Description:

A special blend of complex cleaners for effective, economical cleaning as: a daily general duty floor cleaner, a deep scrub cleaner for removing soil laden top coats of floor finish, and in spray bottles for cleaning and deodorizing a variety of surfaces safe for water contact. Release is ideal for use as a cleaner to aid in extending the time between costly strip out. Release is recommended for use on all types of floor or other surfaces safe for water contact.

Features:

•   A non-butyl product with the perfect blend of emulsifiers, surfactants and detergents.

•   All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Directions:

1. Depending on the task, dilute using the following ratios:
        Routine cleanng: 1-2 oz per gallon of water
        Deep scrubbing: 4-8 oz per gallon of water
        In a spray bottle: 2-4 oz per gallon of water
        In an auto scrubber: 2-4 oz per gallon of water
2. Apply solution to floor surface with mop or auto scrubber. Apply to other surfaces by means of spray bottle.
3. When solution has been used as a deep scrub cleaner, floor area should be thoroughly rinsed with Quantum before applying restorer or finish.
4. Seal floor if necessary. Apply selected protegé floor finish or restorer per instructions.

Specifications:		Available In:	
Color:	Light Blue	55 Gallon Pail	Item# 98PRL55
Odor:	None Added	30 Gallon Pail	Item# 98PRL30
pH:	8.5	5 Gallon Pail	Item# 98PRL05
Physical State:	Liquid	4X1 Gallon Bottles	Item# 98PRL0G
