

RESTORZ

HIGH SPEED RESTORER AND CLEANER

DATA SHEET

Product Description:

This product is specially formulated for economical and effective use in a high speed floor care program. It's unique formulation enables cleaning the floor surface and restoring it's buffable properties in one step. This product differs from other similar products in its reliability for optimum results even in a daily maintenance program.

Features:

- A non-butyl product with the perfect blend of emulsifiers, surfactants and polymers.
- All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Directions:

Use at a dilution of 1-2 ounces per gallon of water via auto scrubbing or mop on. When used as directed as part of the cleaning and restoring process, this product will remove dirt, stains, scuffs and scratches, leaving a micro layer of restoring product that burnishes to a brilliant wet-look shine, without softening or hardening existing finish.

Specifications:

Color:	Beige	55 Gallon Pail	Item# 98PRE55
Odor:	None Added	30 Gallon Pail	Item# 98PRE30
pH:	8	5 Gallon Pail	Item# 98PRE05
Physical State:	Liquid	4X1 Gallon Bottles	Item# 98PRE0G
