

# TROPHY

## 21% URETHANE FORTIFIED FINISH

### DATA SHEET

#### Product Description:

Use with all floor care systems: spray buff, high and ultra high speed burnishing. Excellent for difficult to maintain floor areas. Eliminate need for frequent stripping and recoating.

#### Features:

- Resists scuffs, scratches, black marks and dirt.
- Wet look shine.
- Eliminates the need for frequent stripping and refinishing.
- All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

#### Application:

1. Before the first application of Trophy, remove all old coatings with any Protegé stripper.
2. Apply 3 or more medium coats of Trophy finish with a clean finish mop. Let dry to the touch between coats - approximately 30 minutes. On porous, resilient or stone floors, seal first with 2 coats of Protegé Tuf-Kote.

#### Maintenance:

1. Clean daily. Dry mop, then wet clean with Protegé Quantum in an auto scrubber or with a damp mop.
2. Burnish twice a week or as needed with a UHS burnishing pad.
3. For cleaning and restoring in a single step, use Protegé Restorz with an auto scrubber or mop.

#### Recoating:

1. Clean thoroughly. Dry mop. Scrub with a solution or Protegé Release. Rinse well and let dry.
2. Apply 1-2 coats of Trophy finish.

#### Specifications:

Color:	White	55 Gallon Pail	Item# 98PTR55
Odor:	None Added	30 Gallon Pail	Item# 98PTR30
pH:	8.7	5 Gallon Pail	Item# 98PTR05
Physical State:	Liquid	4x1 Gallon Bottles	Item# 98PTR0G

#### Available In:

#### First Aid:

Eyes and Skin: Flush with water for 15 minutes. If irritation persists, consult physician. Internal: Drink 2-3 glasses of water of water. Call a physician.

#### Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials, food and drink.
