Product Description:

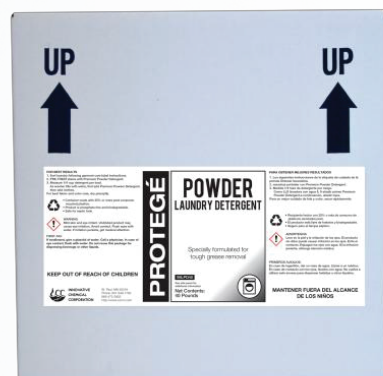

Low sudsing powder laundry detergent that is safe for use with hard or soft water. Product of choice for all types of washable fabrics in all types of washing machines. Contains optical brighteners.

Specifications:

Color: White
Odor: Fresh & Clean
pH: Not available
Physical State: Powder
Dilution: See Label

Available In:

40 Pound Box Item# 98LPD40

Directions:

1. Sort laundry following garment care label instructions.
 2. Pre-treat stains with Powder Laundry Detergent.
 3. Measure 1/4 cup detergent per load. As washer fills with water, first add Powder Laundry Detergent, then add clothes.
- For best fabric and color care, dry promptly.

First Aid:

If swallowed, give a glassful of water. Call a physician. In case of eye contact, flush with water. Do not reuse this package for dispensing beverage or other liquids.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination. Keep container tightly closed and sealed until ready to use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
