

ALL KLEEN READY TO USE

DATA SHEET

Product Description:

This powerful all purpose cleaner is a 100% water based solution made with raw materials derived from blends of soy and coconut combined with a state of the art surfactant. This formula out-performs traditional hard surface cleaners. This versatile cleaner quickly and effectively removes a variety of grease and dirt from any surface not harmed by water. This product makes an excellent all surface bathroom cleaner.

Features:

- 100% water based solution that quickly and effectively removes a variety of grease and dirt from any surface not harmed by water.
- An excellent all surface bathroom cleaner.
- All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Directions:

1. Apply product with a pressure washer, sprayer or sponge.
2. Heavy soil or grease may require dwell time and/or scrubbing.
3. Wipe or rinse off.
