

# FORCE-CARPET PRE-SPRAY & TRAFFIC LANE CLEANER

## Product Description:

Force utilizes the most advanced surfactant technology available to produce a cleaner that will break down and emulsify, the soil detergent residue and mineral deposits found in carpets that have been maintained with cleaners that leaves behind sticky detergent residues. Force is designed to re-emulsify detergent residues, mineral deposits and soil build up on the carpet fibers. Force is safe to use on colorfast fabrics and carpets not affected by water, including nylon, rayon, olefin, wool and other natural and synthetic fabric. Test an inconspicuous area prior to use.

## Features:

An effective, concentrated pre-spray that penetrates oil and grease layers. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

## Specifications:

Color:	Clear
Odor:	Fresh
pH:	9
Physical State:	Liquid

## Available In:

5 Gallon Pail	Item# 98PAS05
4x1 Gallon Bottles	Item# 98PAS0G
12XQTS Bottles	Item# 98PAS0Q

## Directions:

Force is a concentrate and should be diluted prior to use. Add 4 parts water to each part of Force (32 oz per gallon of water). Apply with a trigger pump, or low pressure sprayer at a rate of 200 square feet per gallon of ready to use solution. Let dwell for 5 to 10 minutes before continuing cleaning process.

## First Aid:

In case of eye contact, flush with water for 15 minutes. If ingested, rinse mouth, then give larger amounts of milk or water. Do not induce vomiting. Contact a physician.

## Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination.
