

# XTRACT-CARPET RINSE ADDITIVE

## Product Description:

Xtract Carpet Rinse Additive is a concentrated, low pH product that eliminates or reduces cellulose browning caused by alkaline soap build up and over wetting on all types of carpets. An ideal treatment for fiber yellowing, coffee, and urine stains. This product contains odor neutralizers for indoor air concerns and will help eliminate hard water deposits in extraction jets.

## Features:

Eliminates or reduces cellulose browning caused by alkaline soap build up and over wetting on all types of carpets. Ideal treatment for fiber yellowing, coffee and urine stains. Contains odor neutralizers.

## Specifications:

Color:	Amber
Odor:	None Added
pH:	2
Physical State:	Liquid

## Available In:

5 Gallon Pail	Item# 98PXT05
30 Gallon Pails	Item # 98PXT30
55 Gallon Pails	Item# 98PXT55
4x1 Gallon Bottles	Item# 98PXT0G

## Directions:

1. Vacuum the carpet to be cleaned.
2. Treat and remove gum and rust spots.
3. Generously apply Xtract Carpet Rinse Additive per the directions.
4. Dilute 2 ounces Xtract Carpet Rinse Additive per gallon of water in an extraction machine.
5. Extract the entire carpet using a wet extraction system.
6. Allow carpet to dry before re-opening to traffic.

**Note:** Test an inconspicuous area prior to use.

## First Aid:

Eyes: Flush eyes with running water for at least 15 minutes. If irritation persists, seek medical attention. Skin: Flush skin thoroughly with cool water. Ingestion: Drink several glasses of water and contact a physician immediately. Never give anything by mouth to an unconscious person.

## Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination.
