

# QUANTUM Q-NEUTRAL DISINFECTANT CLEANER

## Product Description:

Quantum Q is trusted disinfectant formulated for health care and institutional stringency. Extremely effective against mold and mildew. This product is a phosphate-free formulation designed to provide effective cleaning, deodorizing and disinfection specifically for hospitals, nursing homes, schools, and other institutions where housekeeping is of prime importance in controlling cross contamination from treated surfaces.

## Features:

A super concentrated, powerful, quick acting, quaternary, hospital disinfectant developed primarily for institutional maintenance in health care facilities. EPA Registered. USDA Authorized. Effective against Staphylococci, Streptococci, Salmonella, Pseudomonas, Influenza A, molds and mildew. Kills HIV virus (AIDS Virus) and herpes simplex virus II on pre-cleaned environmental surfaces or objects previously soiled with blood or body fluids.

Physical State:	Liquid

## Available In:

5 Gallon Pail	Item# 98PQQ05
30 Gallon Pails	Item # 98PQQ30
55 Gallon Pails	Item# 98PQQ55
4x1 Gallon Bottles	Item# 98PQQ0G

## Directions:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Dilute one ounce of product per gallon of water. Use 1-2 ounces when spraying on vertical surfaces. This product when used as directed, is formulated to disinfect inanimate hard non-porous surfaces such as walls, floors, sink tops, toilet bowls, tables, chairs, telephones, and bed frames. For larger areas such as operating rooms, patient care facilities, and restrooms. This product is designed to provide both general cleaning and disinfecting. This product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors caused by microorganisms.

## First Aid:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling. If swallowed, drink egg whites or gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

## Storage:

Keep out of reach of children. Do not contaminate food or water by storage or disposal. Store only in original container. Do not reuse empty container. See label for container disposal.
