Directions:

Use with automatic dispensing equipment to feed directly into the washer. Consult your service representative for further information.

First Aid:

For eye contact, Flush eyes with water for 15 minutes and seek immediate medical attention. If swallowed, DO NOT induce vomiting, drink water and seek medical attention. For skin contact, Flush with cool water and seek medical attention.

Storage:

Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Store locked up. Separate from acids. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
