

BODY WASH-DEEP CLEANSING

Product Description:

This product is perfect for washing skin damaged by ultra violet rays, heat, chlorine & hard water, and other harsh environmental contaminants. This ultra mild formulation is compatible with all skin types. It gently deep cleans pores without causing dryness or irritation as regular soap can. Meticulously formulated to a pH balance of 5.5 - precisely the pH of healthy skin. This is essential in maintaining your skin's natural hydro lipid barrier against environmental stress.

Features:

Perfect for washing skin damaged by ultra violet rays, heat, chlorine, hard water, and other harsh environmental contaminants. Compatible with all skin types. Deep cleans pores without causing dryness or irritation. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Specifications:

| | |

| Color: | Blue |
| Odor: | Cool Breeze |
| pH: | 6 |
| Physical State: | Liquid |

Available In:

| | |
|--------------------|---------------|
| 05 Gallon Pails | Item# 98PBW05 |
| 30 Gallon Pails | Item# 98PBW30 |
| 55 Gallon Pails | Item# 98PBW55 |
| 4X1 Gallon Bottles | Item# 98PBW0G |

Directions:

Pour on a wet wash cloth or your hand. Apply to skin and hair. Lather and rinse.

First Aid:

In case of eye contact, flush with water, if irritation persists, get medical attention.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination. Keep container tightly closed and sealed until ready to use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
