Specifications:

Color:	White
Odor:	None Added
pH:	1
Physical State:	Liquid

Available In:

05 Gallon Pails	Item# 98PB405
4X1 Gallon Bottles	Item# 98PB40G
12XQTS	Item# 98PB40Q

Directions:

DISINFECTION - For gross filth or heavy soil, a pre-cleaning step is required for disinfecting.

1. To disinfect toilet bowls, flush toilet and add 4 ounces of BOWL-Q 400 cleaner directly to the bowl water. Swab bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand for 10 minutes and flush.
2. To disinfect urinals, add 2 ounces of BOWL-Q 400 to 48 ounces (1 1/2 quarts) of water. Flush urinal and apply solution with brush or toilet mop to urinal surfaces, making sure to scrub completely. Let stand for 10 minutes and flush.
3. For badly stained toilet bowls, flush toilet and use a toilet mop to push water from the bowl and trap. Press swab mop against bowl to remove excess water then saturate mop with 2 ounces of BOWL-Q 400 while holding bottle and applicator over bowl. Swab bowl completely making sure to get under the rim. Let stand for 10 minutes and flush. Rinse applicator completely.

First Aid:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink egg whites or gelatin solution, or if these are not available, drink large quantities of water. Call a physician immediately.

Storage:

DO NOT CONTAMINATE WATE, FOOD, OR FEED BY STORAGE OR DISPOSAL. STORAGE - Store in a dry place now lower in temperature than 50F or higher than 120F. CONTAINER DISPOSAL - Do not reuse empty container. Triple rinse empty container with water. Return metal drum then offer for reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities. Plastic containers may be disposed of in a sanitary landfill, incinerated, or if allowed by local authorities, by burning. If burned, stay out of smoke. PEISTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
