

# FREEZER CLEANER—GOOD TO TEMPS OF -30° FAHRENHEIT

**Product Description:**

A ready to use wall and floor cleaner for walk-in freezers, food lockers and other sub-freezing areas. It meets all of the known requirements for use in federally inspected meat and poultry plants as a cleaning compound in product category A5.

**Features:**

All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

**Specifications:**

Color:	Blue
Odor:	None Added
pH:	11
Physical State:	Liquid

**Available In:**

4X1 Gallon Bottles      Item# 98PFC0G

**Directions:**

For use as a mop solution or in spray bottles. Use as is for indoor or outdoor applications to -30° F. May be diluted up to 4:1 for milder temperatures.

**First Aid:**

In case of contact: skin: flush with water. Seek medical attention. Eyes: flush with large quantities of water, holding eyelids open. Seek medical attention immediately. Inhalation: get to fresh air. Seek medical attention if irritation persists. Ingestion: DO NOT induce vomiting. Drink large quantities of water. Seek medical attention.

**Storage:**

Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Store locked up. Separate from acids. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
