| Color: | White |
| Odor: | No Scent |
| pH: | 1 |
| Physical State: | Liquid |

Available In:

| | |
|--------------------|---------------|
| 05 Gallon Pails | Item# 98PGC05 |
| 30 Gallon Pails | Item# 98PGC30 |
| 55 Gallon Pails | Item# 98PGC55 |
| 4X1 Gallon Bottles | Item# 98PGC0G |
| 12XQTS Bottles | Item# 98PGC0Q |

Directions:

1. Test product in an inconspicuous area prior to use.
2. If grout has been sealed, remove sealer with a strong stripper to prevent uneven cleaning results.
3. Apply to a 2'X2' area to grout seam only. Allow 2-3 minutes for product to penetrate.
4. Agitate product over stubborn stains with a grout brush or toothbrush. Do not allow product to splash on nearby surfaces.
5. Rinse area thoroughly with clean water. If product is not rinsed thoroughly, grout residue may redeposit on the tile causing a dull effect.
6. A second application may be necessary. Do not use area until dry.

First Aid:

Remove contaminated clothing immediately. Skin and Eyes: Immediately flush with plenty of water for at least 15 minutes. Get medical attention immediately. Skin: Flush skin with plenty of water. Get medical attention immediately. Inhalation: Remove to fresh air . If irritation persists, get medical attention. Ingestion: DO NOT induce vomiting. If conscious, give plenty of water to drink. Get medical attention immediately. Emergency Contact: 800-535-5053 (Infotrac).

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination. Keep container tightly closed and sealed until ready to use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
