Directions:

This product is designed for general cleaning and disinfecting in a variety of environments, including: nursing homes, hospitals and institutions. When used as directed, Bowl & Basin Cleaner is formulated to clean, deodorize and disinfect all surfaces in a restroom (walls, sinks, faucets, toilets, floors and fixtures). Spray on to desired surface, let sit for one minute, then wipe dry.

First Aid:

In case of eye contact, flush with water. If irritation persists, get medical attention.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination. Keep container tightly closed and sealed until ready to use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
