

RELEASE-NON-BUTYL DEEP CLEANER

Product Description:

A special blend of complex cleaners for effective, economical cleaning as: a daily general duty floor cleaner, a deep scrub cleaner for removing soil laden top coats of floor finish, and in spray bottles for cleaning and deodorizing a variety of surfaces safe for water contact. Release is ideal for use as a cleaner to aid in extending the time between costly strip out. Release is recommended for use on all types of floor or other surfaces safe for water contact.

Features:

A non-butyl product with the perfect blend of emulsifiers, surfactants and detergents. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Specifications:

Color:	Light Blue
Odor:	None Added
pH:	8.5
Physical State:	Liquid

Available In:

5 Gallon Pail	Item# 98PRL05
30 Gallon Pail	Item# 98PRL30
55 Gallon Pail	Item# 98PRL55
4x1 Gallon Bottles	Item# 98PRL0G

Directions:

1. Depending on the task, dilute using the following ratios:

Routine cleaning: 1-2 oz per gallon of water

Deep scrubbing: 4-8 oz per gallon of water

In a spray bottle: 2-4 oz per gallon of water

In an auto scrubber: 2-4 oz per gallon of water

2. Apply solution to floor surface with mop or auto scrubber. Apply to other surfaces by means of spray bottle.

3. When solution has been used as a deep scrub cleaner, floor area should be thoroughly rinsed with Quantum before applying restorer or finish.

4. Seal floor if necessary. Apply selected protegé floor finish or restorer per instructions.

First Aid:

Inhalation: remove to fresh air. Skin: wash with soap and water. Eyes: flush with water for 15 minutes. If irritation persists, consult physician. Internal: if swallowed, drink large amounts of water or milk. Seek medical attention promptly.

Storage:

Keep containers tightly closed in a dry, cool and well-ventilated place.
