

STAINLESS STEEL & METAL SURFACE CLEANER & POLISH

Product Description:

This cleaner is specially formulated to clean and polish stainless steel surfaces, but can also be used on brass, copper, iron, titanium, gold and silver. Contains special metal brighteners and smudge resistant additives that leave metal surfaces, especially brushed stainless steel, looking brand new. Removes grease, oil, and hand soils from brushed, polished or painted and anodized surfaces with ease.

Features:

Specifications:

| | |
|-----------------|--------|
| Color: | Clear |
