

SILVERWARE PRESOAK LIQUID

Product Description:

Features:

Product is formulated to be used as a final rinse. Possesses low foam qualities with superior emulsifying and rinsing ability. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Specifications:

Color:	Clear
Odor:	None Added
pH:	12
Physical State:	Liquid

Available In:

05 Gallon Pails	Item# 98PAR05
4X1 Gallon Bottles	Item# 98PAR0G

Directions:

Product is formulated to be used as a final rinse. Possesses low foam qualities with superior emulsifying and rinsing ability. Leaves dishes and glassware spot free. Set dispensing equipment to dilute at a ratio of 1-2 ounces of detergent to water.

First Aid:

For eye contact, Flush eyes with water for 15 minutes and seek immediate medical attention. If swallowed, DO NOT induce vomiting, drink water and seek medical attention. For skin contact, Flush with cool water and seek medical attention.

Storage:

Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Store locked up. Separate from acids. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
