

DEGREASER—MULTI-PURPOSE

Product Description:

A highly concentrated butyl based cleaner/degreaser that utilizes the most advanced blend technology. This product out performs a multitude of traditional cleaners in its ability to deep clean and degrease any surface in one step. The product of choice when quick and safe cleaning is required on industrial equipment, machinery, garage floors & walls, automotive parts & engines, truck lines & car washes, food plants & factories or any other places where grease, dirt and soil are a problem.

Features:

Ideal for quick and thorough removal of grease and oils from industrial and institutional grills, ovens, fryers, floors, walls, table tops, engines, machinery, etc.

Specifications:

Color:	Blue
Odor:	Chlorine
pH:	14
Physical State:	Liquid

Available In:

5 Gallon Pails	Item# 98PDE05
30 Gallon Pails	Item # 98PDE30
55 Gallon Pails	Item# 98PDE55
4x1 Gallon Bottles	Item# 98PDE0G

Directions:

GRILLS: Pour undiluted product onto hot grill, let sit until bubbling starts, scrape it off, wipe grill down with wet clean towel. Let grill cool down before reuse. Rinse with potable water.

OVENS: Using undiluted product, spray onto hot surface until grease runs down. Let oven cool down to 200F. Rinse with potable water and wipe before using oven.

HOODS: Dilute 4-8 ounces of degreaser per gallon of water, wash all surfaces and rinse. Repeat process if necessary.

FLOORS: For everyday cleaning of floors, use 1-2 ounces of Degreaser per gallon of water.

WALLS & TABLE TOPS: For daily spot cleaning, dilute 4 ounces of Degreaser per gallon of water, and use in a spray bottle. For any other surface, dilute 4-8 ounces of water per gallon of water.

PRESSURE WASHERS OR OTHER STEAM CLEANING OF CARPETS OR ANY OTHER SURFACES: Use a dilution of 1 part Degreaser to 10-200 parts of water, depending on the severity of soiling.

First Aid:

In case of contact with skin, flush with water. Seek medical attention if irritation persists. In case of contact with eyes, flush with large quantities of water, holding eyelids open. Seek medical attention immediately. If inhaled, get to fresh air. Seek medical attention if irritation persists. If ingested, DO NOT induce vomiting. Drink large quantities of water. Seek medical attention.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination..
